

SUGGESTED FREE SOFTWARE AND PRESENTATION RESOURCES

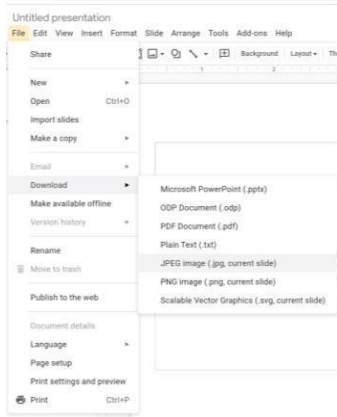

IMAGE COLLAGES

TO CREATE YOUR IMAGE COLLAGES FOR YOUR PRESENTATION, USE ANY OF THE FOLLOWING.

GOOGLE SLIDES

<https://www.google.com/slides/about/>

Start a BLANK presentation. Copy and paste images into your slides and add text. You can then save each slide as a .jpg (see below).

AUTODESK SKETCHBOOK

<https://sketchbook.com/>

A free graphics software similar to Photoshop. Ideal for rendering!

ADOBE FREE TRIAL ON CREATIVE CLOUD APPS

<https://www.adobe.com/>

VIDEO EDITING

PREZI

<https://prezi.com/>

You can add overlays and graphics to your videos. Your work will be saved to the PREZI site, meaning that you will upload a link as one of your attachments.

OPEN SHOT

<https://www.openshot.org/>

FORMATTING DOCUMENTS

ADOBE ACROBAT FREE TRIAL

<https://acrobat.adobe.com/>

Merge documents and combine .pdf documents into one attachment.

GOOGLE DOCS

<https://docs.google.com/>

Create your Personal Statement and save as a .pdf.

WEBSITES TO HOST YOUR VIDEO

YOUTUBE

<https://www.youtube.com/>

VIMEO

<https://vimeo.com/>

WEBSITES TO HOST YOUR SOUND FILES

SOUNDCLOUD

<https://soundcloud.com/>

Be sure to include direct links to sound files as Attachments. DO not link to your channel.

YOUTUBE

<https://www.youtube.com/>

You can have your songs played from YOUTUBE videos. Please make sure that the accompanying video image is a slide with your NAME, PRODUCTION, PLAYWRIGHT, TRACK TITLE OR DESCRIPTION. Please do not include images or other visual information.
