

Background Check Information for Niles Marching Band

Every Parent/Guardian wishing to be a Chaperone or work with the students in some capacity must have the proper background clearances per the Niles City School Board.

Clearances REQUIRED for Niles City Schools

- FBI
- BCI

These can both be scheduled to be done at Trumbull County Educational Services in the Marcs Plaza.

You need to make an appointment call (330) 505-2800 and ask for Julie.

The fee is \$70 total for both and is only payable by credit or debit card.

Have the results sent to your home address or the Booster PO Box 2316 at the request of the Niles BOE DO NOT SEND TO THEM.

Delivery to Heidi Preusser Band Booster President. These must be turned into the Board of Education and approved at the monthly board meeting. If they are not approved you cannot attend band camp, chaperone, or work with the students.

If you are a Niles School employee this process does not need to be completed. If you are a current booster member who has an FBI and BCI on file with the BOE within the last 5 years this process does not need to be repeated.

Any questions please contact Heidi Preusser 330-299-9156
