**How do you feel about your current score/position?**

- I feel satisfied with my position! It's not bad and I'm happy with that, plus it makes me want to work even harder!

**What do you predict for the future?**

- I'm really bad at predicting things but I think the next round will make the viewers have different options with the royal concept.

**What do you think about this theme/concept?**

- Honestly, I'm in love with it! It shows a side of us all that shows that we are also capable of being in charge and I think it's just a fun concept that I can act in as well.

**Do you have any hopes for future concepts?**

- I don't mind any concept that's chosen because they're all very interesting and fun but I do hope that we do a concept that can make everyone shine, which is already happening!

**Any spoilers?**

- Nope! My lips are sealed :]

**How do you feel about your current score/position?**

I'm so happy, I honestly knew I would rank I just didn't know I would 1st place! So thank you so much to everyone who voted for me!

**What do you predict for the future?**

Hmmm... I think i will be ranked high just not as high as the last round but I still have hope in myself!

**What do you think about this theme/concept?**

I'm really worried. Cause I don't know if i can pull of a fierce concept like that so I hope I can do the more elegant side of it. Either way I haven't tried the concept in a long time so I'm excited!

**Do you have any hopes for future concepts?**

Probably, a springtime ballad song or a lighter concept.

**Any spoilers?**

\*rolls his eyes

I don't really like this one trainee... i'm not gonna name any names but yeah.

**Bebe**

**How do you feel about your current score/position?**

I mean, I think that I could have done better, but I still think I have a chance!

**What do you predict for the future?**

Hopefully, I can raise my ranking to be in the Sky ranking.

**What do you think about this theme/concept?**

I personally love this concept! I think it is one I can pull off well.

**Do you have any hopes for future concepts?**

I'm fine with any concept whatsoever, but I love the royalty theme we're doing!

**Any spoilers?**

Usually I would give a spoiler, but I don't know enough about the song to give one. Sorry about that!

**Yuhan**

**How do you feel about your current score/position?**

I'm feeling pretty good about my ranking, I'm happy that I'm in the Sky ranking.

**What do you predict for the future?**

I hope that I can raise my ranking since even though I'm in Sky, I'm at the bottom.

**What do you think about this theme/concept?**

The concept works pretty well with me, I'm satisfied with it.

**Do you have any hopes for future concepts?**

I usually like dark themes and concepts, so hopefully we can do something like that.

**Any spoilers?**

I'm not sure what the song is, so I can't give that well of a spoiler.

**SooA**

**How do you feel about your current score/position?**

I'm still kind of in shock that I placed so high. I was convinced I would be voted to the ground after my mess ups in practice. But I am really honored and wanted to thank the judges and everyone who voted for me. I promise to work hard during this next round and all future rounds!

**What do you predict for the future?**

I'm going to hopefully predict that I will stay in the Sky after this next round. I also think I'll be able to grow with this new concept and show a great performance.

**What do you think about this theme/concept?**

I think it's so exciting!! I can't wait to hear the song we'll be performing and begin practicing.

**Do you have any hopes for future concepts?**

Hmm I think it would be fun if we covered songs of popular fictional groups. Like pick alternating songs from 1 artist or just 1 song from 2 artist. That would be really fun! And members of the groups could be guest judges. But this could just be because I want to accomplish my fangirl dreams of meeting groups like

ENCHANTRESS, CALLA, BLACKLIST & WHITELIST, and J'lo!

**Any spoilers?**

I feel like I spoiled too much last time so I'll let the other contestants tell you about it!

**Klaus**

Very unhappy with it. I practiced really hard, why am I on the ground? I made sure I got every detail right.

**What do you predict for the future?**

I might not be in the debut spots but I will get there

**What do you think about this theme/concept?**

I think it doesn't suit me that much but I think I will do well. I look good in royal costumes, why not do my best?

**Do you have any hopes for future concepts?**

Something fierce! Bold, chic, and tough! You know what I mean, right?

I don't know... I don't know what the future has in store for me but all I can say is I hope for the best and I hope in the future that i'm on a debut stage and my family is finally proud of me.

**What do you think about this theme/concept?**

I've done the concept before. I hope I can do it well. I hope I don't mess up like last time.

**Do you have any hopes for future concepts?**

I hope we can do a chill road trip style stage, it's not happy, it's not sad, just a concept or song that makes someone feel relaxed during times of stress.

**Any spoilers?**

Umm... let's just say some people on this survival show don't really like each other.

**Sehee**
