Use Host Code GZU4ASKR for two free card kits!

1. Cut Cajun Craze cardstock to 4-1/4" x 11", score at 5-1/2", and fold.
2. Use a Stitched Rectangle die to cut Come To Gather Designer Series Paper (DSP). Use a smaller Stitched Rectangle die to cut a different pattern of Come To Gather DSP. Glue both pieces to card base.
3. Use Cajun Craze ink to stamp sentiment from Gather Together stamp set on Whisper White cardstock. Die-cut with a Stitched Shape circle die. Sponge Soft Suede ink around circle edge. Glue to card with Multipurpose Liquid Glue.
4. Smoosh a feather embellishment from Tags & Feathers Elements into a Versamark ink pad. Dip into a jar of Copper Stampin' Emboss Powder and melt with a Heat Tool. Use tweezers if needed to avoid burning fingers.
5. Use Tear 'N Tape to adhere embossed feather and two other feathers from the package to the card base.
6. Tie bow with Copper Trim and use Glue Dot to adhere to card.
7. Stamp [Whisper White envelope](#) to match card.
