

2026/2027 Registration Information

Thank you for your interest in joining Huron Perth United! We are so excited to build on the success of our last season and continue our mission of developing great soccer players and even better people! This document is meant to summarize information on the club team season and answer FAQs. If you have any additional questions after reviewing the information below, please feel free to contact us at hpunited@btlports.ca.

Assessments

Assessments will take place throughout mid-September with age specific dates and times listed on registration pages. Registration can be found at hpunited.ca/clubteams. Each age group will have 2 assessments. Players are urged to attend both of the assessment dates for their age group. If you're unable to attend both sessions, please contact us at hpunited@btlports.ca. Following the assessment week, coaches will select their teams with assistance from club staff. Selected players will receive an offer to join a club team for the 2026/2027 season. The expectation of the club is that if your child is attending assessments, you intend to accept a program invitation if received. If trying out for another team or there are any reasons why you may be unable to accept a program invitation, please update us on the situation ahead of time. This will not affect your child's selection process but allow us to better prepare.

Coaching Staff

HP United is proud to have a great team of coaches that are committed to our mission of developing great soccer players and even better people. All of our coaches are fully qualified by Canada Soccer Standards. You can learn more about our coaches at www.hpunited.ca/staff-coaches. Please note that some of our coaches are to be announced. This page will be updated as we approach the assessment period.

**Fee Assistance**

HPU feels strongly that soccer should be accessible for all. If finances are a barrier for participation please review the financial assistance information on our website, found at the bottom of this page: <https://www.hpunited.ca/clubteams>
