As my life resumes I think in contrast to others
Experiencing new things,
enjoying good people,
and growing abundantly

I've made mistakes and I've met struggles
As I improve I will continue to overcome all that comes my way

A life of many challenges
I've had a different view of the world since birth
Feels like I'm creating a piece of art that no one else gets
As I fall apart I am constantly discovering more about myself,
and the people around me
With the help of those that show me kindness and grace
I am on a journey to becoming the person I am destined to be
