

Tubby's Master List of Gift Ideas

Hello! If you're reading this document, you've got someone to buy a gift for, but you're not quite sure what to get them. **Best wishes on coming up with something great!** I've compiled the following ideas to help with your brainstorming. If you have any additional ideas that I should add to this list, feel free to comment!

Note: You can come up with a gift card associated with nearly everything on this list, so while they're not listed, just know that you can give a card with intentions to be used for most (if not all) of the ideas listed.
