[Infogr.am](#)  
[JuiceBox](#)

### Infographic Tools

Powerpoint, [Google Slides](#), Keynote – Slide presentation tools can be an easy method for creating simple infographics. You can create shapes with labels, import images, create data charts, etc. Slides can generally be exported in various graphic formats, like jpg and png, for sharing. You can also just capture a screenshot of your image and save it that way. PowerPoint and Keynote have the advantage of being available offline. [Free infographic templates from Hubspot.](#)

[Easel.ly](#) – One of AASL's Best Websites for Teaching and Learning in 2013

[Getting Started With Easel.ly](#) – awesome video tutorials

[Our free infographic course/ebook that you can read in 10 mins](#) – it's a good read!

[Help articles for just about everything \(groups, designer etc...\), our help center.](#) – We've kept things really simple for you.

[Piktochart](#) – Free and Pro accounts.

[Piktochart help files](#)  
[Video Tutorials](#)

[Venngage](#) – Free and paid accounts.

Templates for a variety of purposes. Includes US State map in free version. Double click to edit the data for each state.

[Infogr.am](#) – Upload data, create graphs, charts and more. Free and pro accounts.

[Viz](#) – Handy, easy to use iOS app for creating colorful, simple graph charts.

[Wordle](#) – Create word clouds. Great for analyzing lengthy texts to see most used words.

[Create A Graph](#) – Tools to help students (and adults!) understand & creat basic types of charts and graphs.

[Juice Labs Chart Chooser](#) – Helps you select the type of chart you should use for various purposes.

|--------------|---|--|--|
|              | Communications and Mass Media Collection provides access to academic journals and magazines focusing on all aspects of the communications field. Key subjects covered in the database include advertising and public relations, literature and writing, linguistics, and more.  |  |  |
| <b>MISC.</b> | <p>Gale Databases from NOVEL</p> <p> <a href="#">Agriculture Collection</a></p> <p>Agriculture Collection provides a comprehensive view of agriculture and related fields. The database provides access to current and authoritative content that spans the industry -- from practical aspects of farming to cutting edge scientific research in horticulture.</p> <p>Select</p> <p> <a href="#">General Reference Center Gold</a></p> <p>General Reference Center Gold provides access to magazines, newspapers, trade publications, and reference books through one easy interface. This general interest database offers the latest content covering current events, popular culture, business and industry trends, the arts and sciences, sports, hobbies, and more.</p> <p> <a href="#">Computer Database</a></p> <p>Computer Database provides access to leading business and technical publications in the computer, telecommunications, and electronics industries. The database includes computer-related product introductions, news and reviews in areas such as hardware, software, electronics, engineering, communications, and the application of technology.</p> <p> <a href="#">Gale Virtual Reference Library</a></p> <p>Gale Virtual Reference Library is a database of encyclopedias and specialized reference sources for multidisciplinary research. These reference materials once were accessible only in the library, but now you can access them online from the library or remotely 24/7. Because each library creates its own eBook collection, the content you see may vary if you use the database at different libraries (your school, your public library, or your office).</p> <p> <a href="#">Culinary Arts Collection</a></p> |  |  |

Culinary Arts Collection provides access to academic journals and magazines on all aspects of cooking and nutrition. The database includes thousands of searchable recipes, restaurant reviews, and industry information.

#### [Expanded Academic ASAP](#)

Expanded Academic ASAP provides access to scholarly journals, magazines, and newspapers across disciplines. The database meets research needs in subject areas including the arts and humanities, social sciences, and science and technology.

#### [Gardening, Landscape and Horticulture Collection](#)

Gardening, Landscape, and Horticulture Collection provides access to academic journals and magazines focused on both the practical aspects as well as the scientific theory of horticulture studies. The database offers biotechnologists, farmers, hobbyists, and landscape architects alike access to important content relevant to their pursuits.

#### [Gender Studies Collection](#)

Gender Studies Collection provides balanced coverage of this significant aspect of culture and society. The database offers access to scholarly journals and magazines covering topics including gender studies, family and marital issues, and more.

#### [General OneFile](#)

General OneFile is a one-stop source for news, magazine, and periodical articles across a wide range of general interest topics and academic disciplines. With millions of articles available in both PDF and HTML full-text, General OneFile serves a wide audience of readers.

#### [Home Improvement Collection](#)

Home Improvement Collection provides access to titles covering topics including architectural techniques, tool and material selection, zoning requirements, and others. The database offers content that meets the needs of hobbyists and professionals alike.

### [Information Science and Library Issues Collection](#)

Information Science and Library Issues Collection provides access to scholarly journals and trade publications essential for information professionals and other knowledge workers. The database offers coverage of topics including information infrastructure, metadata architecture, publishing, and more.

### [InfoTrac Newsstand](#)

InfoTrac Newsstand provides access to full-text newspapers and allows users to search articles instantly by title, headline, date, newspaper section, or other fields. The database offers a one-stop source for current news and searchable archives.

### [Insurance and Liability Collection](#)

Insurance and Liability Collection provides access to academic journals and trade publications covering the insurance industry and topics such as labor relations, mortgage banking, legal issues, and more. The database offers content of interest to individual property owners and multinational corporations alike.

### [Nursing and Allied Health Collection](#)

Nursing and Allied Health Collection provides access to academic journals and other reference content covering all aspects of the nursing profession, from direct patient care to health care administration. The database offers current and authoritative content for professionals already working in the field as well as students pursuing a nursing-focused curriculum.

### [Physical Therapy and Sports Medicine Collection](#)

Physical Therapy and Sports Medicine Collection provides access to academic journals and magazines covering the fields of fitness and sports. The database offers a wide spectrum of information, including proven treatment techniques, experimental research, and more.

### [Pop Culture Collection](#)

Pop Culture Collection provides access to scholarly journals and magazines that both analyze and contribute to popular culture. The database offers useful information for researchers in social science, history, art or liberal arts courses.

### [Popular Magazines](#)

Popular Magazines provides access to the most searched magazines across the InfoTrac products. All of the titles are selected based on actual publication searches performed by library patrons and the database includes many titles recommended by Bowker's "Magazines for Libraries".

### [Psychology Collection](#)

Psychology Collection provides access to academic journals and magazines that cover the study of emotions, personality, and the human mind. The database offers content of interest to both researchers and general users.

### [Religion and Philosophy Collection](#)

Religion and Philosophy Collection provides access to scholarly journals and magazines of interest to both researchers and general users. The database offers balanced content that covers topics across a wide range of philosophies and religions.
