

D-I-C Framework

Why less than **5%** of entrepreneurs succeed and the secrets to their success...

As we all might know, being successful in life isn't a very common thing.
So what did the 5% do that the 95% didn't?

And no it's not luck, it's not that they are smarter or nothing out of the ordinary.

They all had a very special habit, a habit that literally changed their mind so they could never lose.

The P-A-S Framework

Is this really your best?

Don't you feel **ashamed** of yourself? What happened to you?
Wasn't you the guy who was gonna succeed in life?

I don't understand how you can still be in that miserable job of yours, you could be the greatest person of all time but no you just work for someone else.

How can you even say you are living life if you can't do whatever you want to do.

Hear me out, you are destined to greater things, but right now you are completely lost and i don't judge but be smart for once

H-S-O Framework

I was at the bottom...

Everything I worked so hard for was gone.

Got this job at a Mercedes dealership and started making bank. I was at the top of the world, I could buy everything..

But then it happened and the dealership went bankrupt. I didn't even know an official Mercedes dealership could go bankrupt but it did.

After that I felt in a way I didn't even know I could feel.

From making 8k/month to making 1k/month working in some supermarket, I was in one of the worst states I have EVER been in, felt useless, powerless.

I couldn't live like this

NO WAY

I only had ONE choice go back to my parents house and start again but this time differently I just didn't know how until one of my dearest friends showed me [THIS](#)
