

Eucalyptus Essential Oil

Steam-distilled from the leaves of the *Eucalyptus globulus* tree native to Australia, Eucalyptus Organic Essential Oil (Globulus) delivers superior quality and unmatched versatility. Known as the "Fever Tree", Indigenous Australians people utilized Eucalyptus infusions to treat bodily discomfort, sinus congestion, and general wellness.

Today, Eucalyptus Essential Oil is celebrated for their aromatic, evergreen leaves, which yield an oil rich in active components known for their cleansing and refreshing properties. The organic Globulus variety has a crisp, clean, and camphoraceous scent with subtle hints of lemon or peppermint. Whether incorporated as an ingredient in eco-friendly, certified organic personal care formulations or used in aromatherapy, Organic Eucalyptus Essential Oil (Globulus) seamlessly aligns with modern wellness practices.
