

# Study Groups

## Everyone Welcome!

Reynolds Peer Tutors are hosting weekly study groups. All students are welcome to attend. No expertise is needed to join. The aim of the group is to help support any student taking the course no matter what their skill level is. Stop by if you need help with a test, or any time you would like to connect with other students.

Course	Meeting time	Location (room)
Chemistry 12	Mondays after school	Foyer
Pre-cal 12	Wednesdays at lunch	208
Calculus 12	Thursdays at lunch	128
Pre-calc 11	Wednesdays at lunch	Library
Physics 11	Monday at lunch	113
Life Science 11	Wednesdays at lunch	Library
Psychology dual credit	C block Fridays	Library
Chem 11	Fridays at lunch	128

**\*Don't see your course???** If you would like to have a study group for a course you are in, please contact Ms. Brach-Richey in rm 128- she can likely make a study group for your class!
