

Feather equilibrium

This painting is painted by **Dali**. Dali was born on 11th May 1904 in Figueras, Spain and died on 23th January 1989 in Figueras, Spain. Dali had got a sister called Ana Maria.

This painting has got a hand pointing down, one piece of watermelon, one head of a duck, an ink pot, papers, one feather, one potato and one disgusting hand.

I don't like
painting
is rare and strange.

this
because it
