

SLAM Project Plan and Progress Doc

Use this document to plan your project, interact with your teacher, and document your progress.

Names of team members:

Class:

Media Title:

Short description of media:

Detailed description of media. What is it? Why are you doing it? Who will want to watch it? How do you want it to look? Where will you post it? You can write your script here and/or a shot list.

Important dates go here. Feel free to add dates in between for things like filming, editing, graphics or poster creation, web site or page created.

Plan due:

Progress Report due:

Rough Draft due:

Final Project due:

This section is for your progress report, rough draft, and final project.

Progress Report

You need to show shots, work you have done, and a details about your progress here or somewhere else (provide link if somewhere else).

Rough Draft

Provide location of rough draft. Usually on the server, but could be somewhere online.

Final Project Link

Your final project should be available somewhere online.
