Chapter 1: How It Works

Simple. When you refer a clinic to us and they become a paying client, €1,000 goes straight into your account. No cap. No complicated process.

There is no limit on how many clinics you can refer to. Refer five good clinics in a month and that is €5,000. Refer ten — €10,000. The only requirement is that the intro comes from you, directly.

Referrals	Reward per referral	Total earned
1	€1,000	€1,000
3	€1,000	€3,000
5	€1,000	€5,000
10	€1,000	€10,000

Chapter 2: Who to Refer

We are selective — and that is exactly why our system keeps delivering results for our existing clients. A bad-fit clinic wastes everyone's time and reflects on you too.

Before you reach out, ask yourself: Is this clinic actually ready to grow?

Refer them if they... ✓ Have real, existing revenue ✓ Want to scale — not just survive ✓ Know their numbers ✓ Are open to investing in growth ✓ Run an established clinic with staff or regular clients	Not a fit if they... ✗ Just started and have very few clients ✗ Want results without putting in money ✗ Do not track their revenue or bookings ✗ Are not sure what they want to push ✗ Are not ready to handle more demand

If you are not sure, just message Milan first. He will tell you in two minutes whether it is a fit.

Chapter 3: How to Make the Referral

Three steps. It takes about two minutes on your end.

1. Talk to them first Tell them briefly what Glow has done for your clinic. Gauge whether they are serious and actually ready. Do not pass along someone who will waste the call.	2. Make the intro on WhatsApp Either create a 3-way WhatsApp group — you, them, and Milan — or send Milan their number directly with a short note. That is it.	3. We take it from here Milan will reach out, have a qualifying call, and handle everything. Once they sign and pay their first invoice, your €1,000 is processed.

Chapter 4: The One Rule You Cannot Break

Do not just tell them to [Google us](#) or [find us on Instagram](#).

If the clinic you have in mind sees one of our ads and opts in on their own, we have no way of tracking that it came from you. The referral will not be attributed to you, and you will not receive the €1,000. This is not something we can reverse after the fact.

The intro must come directly from you:

- Create a 3-way WhatsApp group with you, them, and Milan, or
- Send Milan their phone number with a short message introducing them

That is the only way we know the referral came from you. That is how you get paid.
