

# Starlit Isles Size Comparisons

Due to the size of the in-game map, the actual size of each nation lorewise is not clear. I would like to clarify some things and put the scale of the Starlit Isles into Perspective.

## Nation Comparisons

**All Mapped Regions (As of 12/22/24) over Earth**

**Greenwald Laid over the Indian Subcontinent**

## Tandeco Laid over Australia

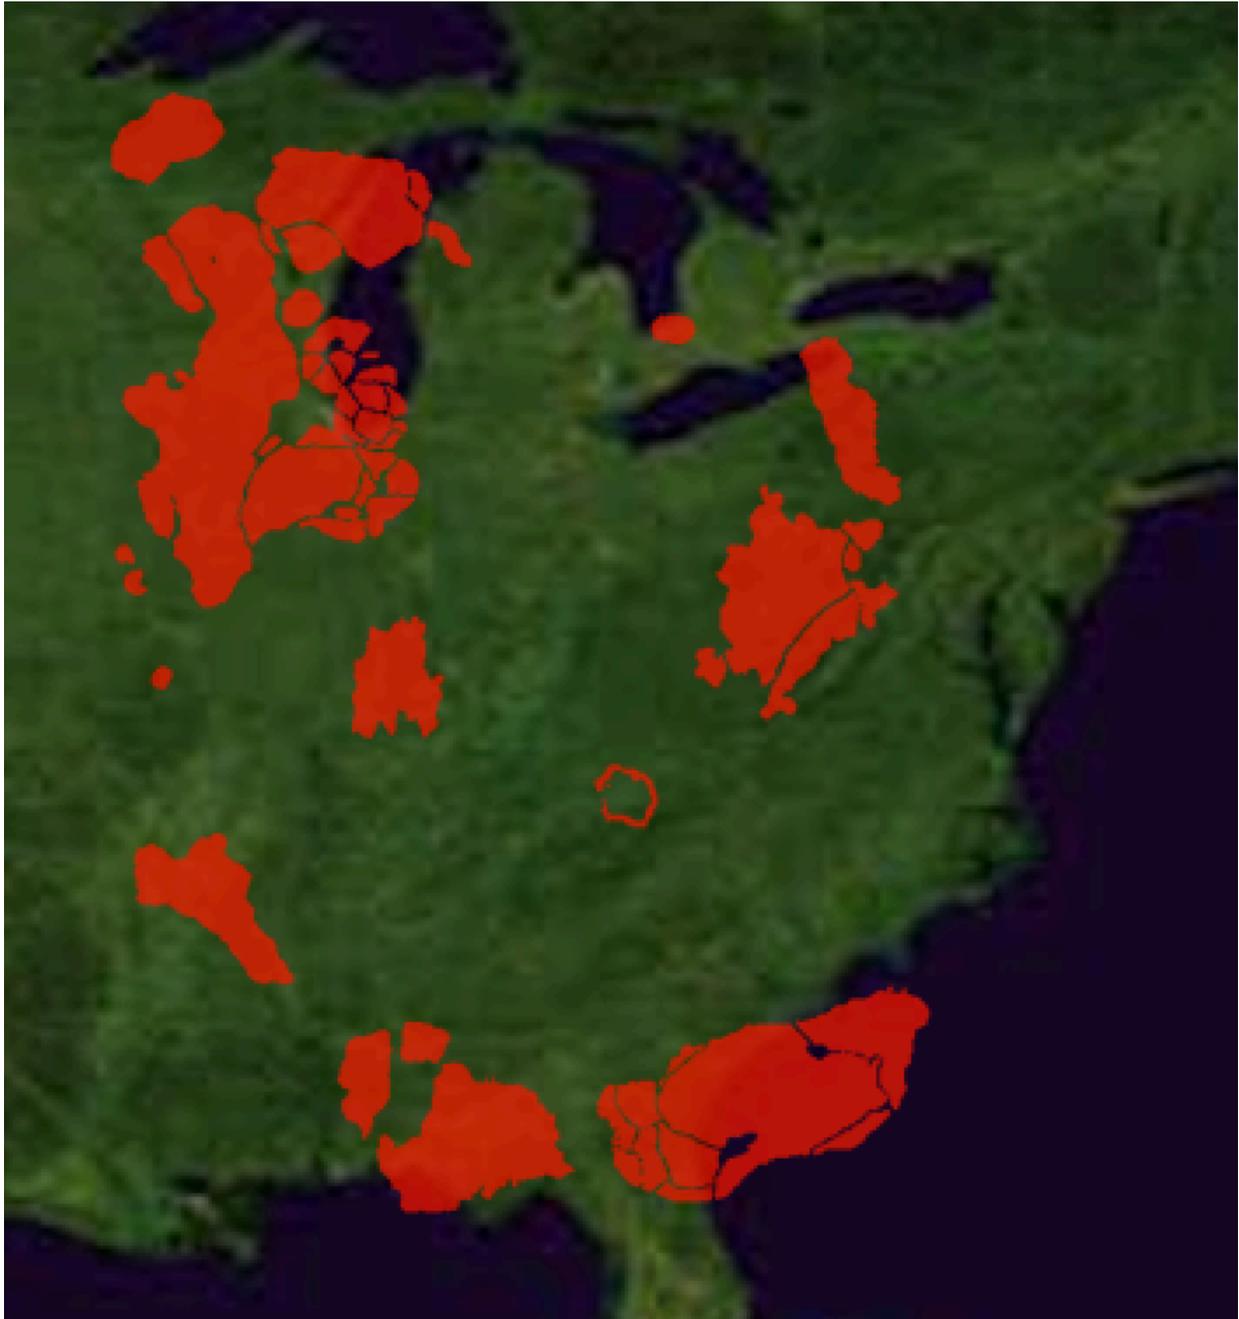

## **Anova Laid over the US East Coast**

## **The Starlit Isles + The Palm Isles Laid over Western Europe**

## The Starlit Isles Laid over the US East Coast

## The Meirseland Home Isles Laid over Japan

## Anova & The Meirseland Home Isles Laid over Europe

**Greenwald laid over the Continental USA**

## Maskhorosh laid over Europe
