You will also get 200 free spins to play slot games. Do you prefer live gaming? If yes, you can take advantage of a live cashback welcome offer instead.

The promotions at Vinyl Casino don't end with the sign-up bonus. Read on as we go deeper into Vinyl Casino's promotions and features.

Bonus Claim and Instructions

You get a 100% welcome bonus at Vinyl Casino if you deposit a minimum €20.

The maximum bonus allowance is €500 - so to get the full €500 in bonus funds you must deposit €500.

The offer also comes with 200 free spins. However, avoid using Skrill and Neteller on your first deposit because both payment methods don't qualify you for the bonus.

Your cash bonus reflects in your casino account immediately after a successful payment.

On the other hand, Vinyl Casino releases 20 free spins daily for ten days until it completes 200.

The cash bonus comes with a 35x wagering requirement. For the free spins, the wagering requirement is 40 times your initial winnings. You must meet the wager within 10 days of receiving the welcome bonus and free spins to keep your winnings.

Cashback Welcome Bonus

If interactive gameplay is more your style, take advantage of the 10% live cashback welcome bonus of up to €200. You can select this offer as an alternative to the 100% welcome bonus. The cashback you get depends on your losses when playing live casino games with your first deposit.

Make sure you don't use Skrill or Neteller when making payments. Also, you'll receive the cashback if your lost bet amount is at least €5, and you must contact support to activate the offer. Impressively, the wagering requirement is just 1x.

Other Promotions

The Vinyl Casino promotions page houses other rewarding deals you don't want to miss. Check them out below:

Live Cashback Bonus

Live dealer game lovers can get up to 25% cashback, capped at €200, if their lost bet is up to €5. The promo is available daily, but you must be a Vinyl Casino VIP to qualify.

Consequently, the percentage you receive depends on your VIP status. You'll meet a 1x wager requirement to take your winnings.

Weekly Cashback Bonus

Vinyl Casino offers more cashback bonuses every week to players in the top three VIP levels. The percentage and maximum bonus vary from one level to another, and here's the breakdown:

- Level 3: 5% cashback up to €1,000
- Level 4: 10% cashback up to €2,000
- Level 5: 15% cashback up to €3,000

Your lost bets should be at least €5 to land this promo. In addition, like the other Vinyl Casino cashback bonuses, the wagering requirement is 1x.

Weekly Reload Free Spins

If you deposit up to €20 from Monday to Thursday, you get 50 reload free spins. You can use the spins on just one slot game, which the website will specify.

The maximum bet allowed while playing is €5, and you have a 40x wagering requirement to satisfy. You'll forfeit the spins and associated winnings if you don't meet the playthrough criteria within 10 days.

Weekend Reload Bonus

Your first deposit of at least €20 at Vinyl Casino between Friday and Sunday qualifies for a reload bonus. The offer is 50% of your payment, capped at €700.

If your deposit reaches €50, you get 50 free spins in addition to the bonus money. The wagering requirement for the bonus cash is 35x, while that for the free spins is 40x.
