Dear _____:

I'm writing because I'm really excited about a forthcoming children's picture book called *We Are The Builders!* by Deepa Iyer, a South Asian American writer and community leader. At a time when the world is so overwhelming, many of us - regardless of our age and experience - may not know what to do. [*We Are The Builders!*](#) is a new picture book about how we can all get involved in our communities by playing different roles.

I'm attaching a one-pager about the book and Deepa. I'd love to see if the library/school could carry *We Are The Builders!* (publication date: September 2024) and/or invite Deepa to visit. I'm happy to connect you directly with Deepa as well or you can email her at deepa@deepaiyer.com.

Thank you!
