6.- Round-Table	Zoom Licenses will expire. in April. April meeting will be via Microsoft Teams. Please download it to your devices.	Zoom is expiring April 14th. Limit to 40 minutes. We can either be kicked out at 40 mins and rejoin, or we can use Microsoft Teams but we will not be able to use translation services. Principal Hubbard asked our translator Ms. Castro if we will no longer be receiving translation services for our SSC meetings. Ms. Castro says that the district is still trying to figure out what to do about interpreters. They are thinking about getting a Zoom license for big meetings, but not for school meetings. Please email the district to inquire about what will happen after April 14th. She suggests advocating for the services. Ms. Perez suggests paying for a Zoom license with school funds, because we use Zoom for communicating with parents and for lots of other reasons. Danna A. asked if we can have meetings in person. Principal Hubbard said that we can get everyone's opinion. Mr. Martinez has used Microsoft Teams before, but he said he has never used the translation services. He asked how often do we actually use the translation services? Ms. Castro responded that translators have to be available for meetings, regardless if it is needed or not. She suggests advocating for this access for meetings. Principal Hubbard also stated that whenever we have a meeting in person, translation services are made available. Ms. Bacame suggested using Community Schools pay for

		one Zoom account for these types of meetings/parent meetings. Ms. Perez said that at least for April, we will have to do Zoom and go until the 40 mins and then rejoin if needed. Principal Hubbard asked Ms. Castro if she would be open to taking turns talking in order to translate, because the free version of Zoom does not offer translation services. Ms. Castro said yes. Principal Hubbard said that we only really need a solution for April and May's meeting right now, because we don't have a meeting in June. Ms. Perez and Ms. Bacame added that it is difficult to get something new approved for Community Schools at the moment, but we should get the paperwork submitted as soon as we can for next year. Ms. Perez will look into what Zoom service we currently have in order to prepare a request for next year. For next month, we will use Zoom, and Ms. Castro will be there even if translation services aren't available. We can discuss more options for future meetings then, as well.
7.- Meeting Adjourned		Meeting adjourned at 4:46pm.
