

HOW A SCURVY BILL BE COMING A LAW

Avast Ye! Ye scalawags be tasked with creating a pirate treasure map leadin' to makin' a bill into a law – ye landlubber's version of the Pirate's Code. Aye, include all the landmarks (stops on your map) along the way, as well as a dotted line representin' the path taken towards the booty or prepare to walk the plank. Savvy?

Ye will create a bill that ye would like see passin in ye Congress. Then ye treasure map will explain ye process ye bill will go through...savvy!

AHOY! Each landmark should include:

1. A title that explains the step.
2. A small symbolic, hand-drawn visual representation for ye step
3. A summary of ye significance of ye landmark. For ye committee, ya need to search congressional committees and pick ye committee for ye bill!
4. Make sure "X" marks the spot when ye bill becomes a law, since this be the booty!

- Do your own work! All hornswagglers will be keelhauled and strung up on the yardarm!
- Student projects will be graded based upon the following criteria
Did map cover all desired information? Aye, did ye include all ye possible steps! – 15 points
Was map neat, colorful, and creative? – 5 points
Did students use time given in class effectively – 5 points
