

## **Imperial Arda Progress, Tree Quest, Historical Explorations, and Furniture Exhibition**

Showcasing the best twenty sofas made in Arda this year, for your imperial comfort!

**In addition to his Imperial Majesty Aragorn, supreme ruler of the Free Imperia, Royal and Noble personages from the Free Imperia and Allied Nations to include:**

King Gilthanas (invited)

Bishop Datlat (key for trees and finding Elf Ruins)

Any of the rest of the party - fun and more swank to have bigger titles along

Thalion Paurgiliath hailed Duke of Eltan

The Crown Prince of Gondor

Lady Vana (Eltan's second in command)

Lord Ezzah (Harnic HE Infantry, now Engineering protection group)

Lord Raza Vie (Recruiting geniuses, engineers, and adventurous casters for test pilots)

Captain Eastan Vail (Recruiting geniuses and engineers)

Sir Anadall Greywind (Recruiting geniuses, engineers, casters, and honorable stealthy types)

Commander Sin Baralthal (Recruiting geniuses, engineers, casters, and honorable stealthy types)

Vala Brightstar (Recruiting geniuses, engineers, casters, and honorable stealthy types)

### **Agendas:**

High level meet and greet for the Free Imperia and friendly nations.

Seek ancient Arda trees and ruins/leftovers/lingering enchantment in Rivendell, Lothlorien, Mirkwood, Fangorn?

Bishop Datlat can cast 'find the path' and 'stone talk' to help find remaining ruins.

Set up agents for WATC in different cities around the Empire and client states

Watch for interesting animals and plants for fort ecosystems / animal friendships

Give good value to the best furniture makers by exhibiting their Maroonish Sofas to important people.
