

What are we?

Hi! We are Juntos, a Community Engaged Organization (CEO) that works with the local migrant community in Addison County to provide needed services. Our mission is to foster a community where migrants can lead a dignified life through advocacy and raise awareness of issues related to immigration/migration in Middlebury and statewide.

Who are we?

To accomplish our goal of serving the migrant community we have three autonomous branches that work in different ways. Read about our three branches and what they do:

The Compañeros (Compas) Program

The Compañeros program offers free and personalized English lessons to the migrant community. They are always looking for tutors supporting a migrant's English learning journey. Fill out this form if you're interested in becoming a tutor or visit [go/compas](https://go.compas) for more info.

The Community Outreach Branch

The Community Outreach branch works closely with external community organizations (Addison Allies, Open Door Clinic, and Migrant Justice) to collaborate and offer services for the migrant population in Vermont. You can become a volunteer that can help with providing transportation for specific events/activities, translate documents or serve as an interpreter for the community, or simply volunteer. To become a general volunteer, join our [Juntos Volunteer](#) email list.

The Events Branch

The Events Branch produces campus and community-wide events related to migration. Some of their biggest events are Stories that Migrate, Mariposa Painting, Dia de los Muertos, and Cooking with Migrants. Be sure to check out our [Midd Presence](#) page, Juntos Instagram (@middjuntos), and flyers around campus to see what we have planned.

How to get involved

There are loads of ways you can get involved with Juntos. If anything listed above piqued your interest and are looking for how to participate, email us at juntos@middlebury.edu. If you just want to be kept in the loop about the activities and events we host, [join our email list](#) to receive our (beautiful) weekly newsletter. If you want to be a board member, keep an eye out or reach out to us during recruitment season at the end of the fall and spring semester.

Con gratitud,
Juntos Team
