UC **SANTA BARBARA**

Department of Global Studies

I look forward to connecting with you soon!

Office location: SSMS 2006; Zoom room: <https://ucsb.zoom.us/j/8404847187>

For **30 minute appointments**, I have times available on **M, T, R** (Thursday), and **F**.

- For **in-person and remote options** on **M and R**, [click here to book](#)
- For **remote options only** on **T and F**, [click here to book](#).

Other important appointment notes: Please be aware that sometimes I may need to offer you a last-minute switch to a remote option if you have booked an in-person appointment. If this happens, I will reach out to you with your options (either keeping the appointment but moving it to Zoom, or rescheduling it.)

For **drop-in advising**, no appointment necessary (great for quick questions where you don't think you'll need closer to a half hour to discuss something) see options below.

Note: If my Zoom is not up and running during the drop-in hours advertised above, there is a good chance that I am either in a late-notice meeting and am not running drop-ins that day, or I may be out of office for the day. Email global-advising@ucsb.edu, plan to attend drop-ins another day, or book an appointment (links above), or try another team member's availability (linked below.)

- Mondays: [On Zoom](#), 2:15-4 pm (Note: no drop-ins on 11/24; email global-advising@ucsb.edu with urgent questions)
- Tuesdays: [On Zoom](#), 2:15-4 pm (Note: no drop-in advising with me on 11/11 or 11/25; email global-advising@ucsb.edu with urgent questions)
- Wednesdays: email global-advising@ucsb.edu with urgent questions
- Thursdays: [On Zoom](#), 2:15-4 pm (Note: no drop-in advising with me on 10/30 or 11/27; email global-advising@ucsb.edu with urgent questions)
- Fridays: email global-advising@ucsb.edu with questions

Do you need other (or faster) options?

Visit [this page](#) to see **all of our advising team's** appointment/drop-in hours, locations, and booking links. **Routine questions (progress checks, joining the major, schedule planning etc) are great opportunities to meet with our student peer advisors!**
