GSOC-16 Final Submission

Organisation -Mifos-Initiative

Project Name -Browser Based Offline Access

Student -Mohit Kumar Bajoria

Mentors-Gaurav Saini, Pranjal Goswami

Project description

- Adding offline functionality to Mifos-community app using HTML 5 offline features i.e-Service workers, sw-toolbox, IndexedDB wrapper -dexie.js

Main features

- *Accessing Community app offline i.e- All the requests which app make must be cached when traversed*
- *Making offline transactions*
