Specific change being made in the budget resolution

Transferring eight thousand dollars (\$8,000.00) from the Wolverine Consulting Group (WCG) to the Student Organization Funding Committee (SOFC)

Description and explanation

The Chair of the Wolverine Consulting Group does not anticipate using the full budget amount allocated from the Winter 2024 Budget. The recommendation of the SOC Director, Ayden Makar, is to transfer the amount to the Student Organization Funding Committee, which has a demonstrated need for the additional funds.
