

“About Me”

Mr. Hyler would like to know more about you as a person and a student too. The paper you will submit to me will be **typed**, no exceptions! You will be assessed on correct use of capital letters, punctuation, and spelling. At the bottom of your paper you will need to include MMAPS (This will be explained). It would be great if you could write at least 1 page that answers the following questions:

How are you doing?

What did you learn or learn to do this summer?

Tell me what things you do that help your family survive and succeed (or some version of that).

What skills do you have that no one else in your family has?

What are each of the people in your family good at?

How do you make friends?

What do you want to know more about?

Where and whom do you learn from?

Tell me what's on your bookshelf, Kindle, iPod, app list, blog, “recently viewed” history, or Twitter feed right now and what does it tell me about you as a person?

What do you do when you're faced with a fascinating or tough-to-solve problem?

What do you want the world to know and think about you? Now and in the future.
