ERRATA FOR OER ON OER

EDIT DATE	EDIT LOCATION	ERROR DESCRIPTION	CORRECTION DESCRIPTION
3/28/23	Editable Resources Page	Page needed to provide assistance with user editing skills	Added links to YouTube tutorials for Word, PowerPoint, Excel, PDF
3/28/23	Maintain OER	New page	New Page
3/28/23	Home Page	Navigation was duplicated, site map missing new pages	Removed duplicative navigation, updated site map
3/29/23	Creating Inclusive OER	Missing Alt-text, descriptive links	Image and table descriptions added and descriptive links added for accessibility.
3/29/23	Accessibility	"Click Here" text used for external navigation.	Descriptive links added for accessibility.
3/29/23	Introducing OER to Others	References missing; Needs alphabetized	References updated and alphabetized.
3/29/23	Providing Attribution	Underlined Text is confusing/inaccessible; look like links	Text formatting removed
3/29/23	Adapting OER for Classroom Use	New Section "OER and Special Education"	New Section and materials added.
3/29/23	Overview of OER Databases	New page	New Page
3/29/23	Introduction to OER	Add functional links to all annotation references.	Added functional links to all annotation references.
3/29/23	Introduction to OER	Add APA citations. Change "David Wiley" to "David Wiley (date of publication)"	That particular publication doesn't have a date so I put (nd).
3/29/23	Introduction to OER	Change video to one that works internationally: not available in Brazil, Israel, and Japan. Cost of Textbooks video can be downloaded into the project's own YouTube channel	Embedded video so country restrictions should be able to be controlled by the user.

EDIT DATE	EDIT LOCATION	ERROR DESCRIPTION	CORRECTION DESCRIPTION
		where country restrictions can be controlled.	
3/29/23	Introduction to OER	Section 4 and 4.3 were duplicated.	Removed section 4.3.
3/29/23	Copyright & Creative Commons License	Replace URL with descriptive text for learning objectives "Copyright and Creative Commons License: A Selection Guide for Instructional Designers" OR embed the video on the page to keep users on site.	Embedded video after text learning objectives. Further consideration to remove the video may be needed as it does not appear CC text can be added.
3/29/23	Copyright & Creative Commons License	Table of contents-Consider removing this subheading and adding directions on how to access sub-topics	Removed Table of Contents and provided directions on how to access sub-topics.
3/29/23	2.1 Describe the Open Content Movement	Add Heading "Open Content" at the start of the text block. Change "Notes" to be a heading style.	Headings "Open Content" and "Notes" were added.
3/29/23	2.3 Identify Different Creative Commons Licenses	Recreate tables to be searchable (given license permissions)	Linked the initial 2 graphs to their original sites, however I could not find the 3rd image's original site.
3/29/23	2.5 Choosing a Creative Commons License	Remove documents from the bottom of the site if unable to update permission settings.	Removed documents at the bottom as permissions were not able to be obtained.
