

Queen Baton Rouge Review

The former Hollywood Casino, which was granted permission in August 2020 to move its gaming business to a land facility, began construction on an 85 million dollar new expansion project on August 10, 2021. The Queen of Baton Rouge, the city's first land casino, opened to the public on Aug. 24, 2023. The existing riverboat casino was moved to an extended version of the atrium and the valet parking area was changed to an indoor space. Located near the Louisiana State Capitol and the Mississippi River, the new casino includes more than 100,000 square feet of casino space (62,000 square feet) and 6,000 square feet of conference and event space, including three multipurpose rooms.

Gamblers can find 18 game tables, including over 700 game consoles, blackjacks, craps, roulette, Cajun studs, pie go poker and more, as well as DraftKings sportsbooks with self-service kiosks and betting windows, and LIT Casino & Bar, a dedicated smoking patio with more than 100 slots and six table games. American Cuisine and Entertainment Night is available at 1717, and three quick-service restaurants include Big Chicken, three Works Noodle bars, and Capitol Coffee Baton Rouge [온라인경마](#)

The project is expected to be completed in the fall of 2024.
