

COE Zoom License Assignments

Requesting a Zoom Licensed Account

COE has a limited number of Zoom Licensed accounts and TDP prioritizes assignment to faculty teaching COE credit courses online.

Licensed accounts unused for 90 days will be reverted to Basic.

Zoom Basic Account

Zoom Basic meets most non-class needs, with these limitations:

- 40 minutes limit on group meetings (unlimited for 1-on-1 meetings)
- No polling feature
- No co-host feature

Zoom's Terms of Use

Sharing your Zoom credential with others is not permitted. Under [Zoom Terms of Service](#), a Zoom Basic or Pro user is also known as a “named host”, in which their license may not be shared or used by anyone other than the individual licensed to be a named host. **In other words, users cannot share a single login.** COE users must abide by Zoom terms of use, or risk losing access to this resource.
