

Recital 2025 - Shows A and C

Video Tutorial Link: <https://youtu.be/Flp6ROh4zGI>

Makeup –

- Apply foundation – only needed on the top half of the face because of masks
 - Powder is necessary, liquid foundation or concealer can be added first to cover blemishes if desired
 - Apply powder with a large fluffy brush
 - Apply liquid foundation and concealer with a sponge
- Use neutral eyeshadow colors such as brown, taupe, pearl, copper, and bronze.
 - Apply lightest color to the entire eyelid up to the brow bone
 - Apply a medium shade to the eyelid and crease but do not go up to the brow bone
 - Apply deepest shade to the crease and blend. If dancer does not have a crease, place a centimeter above lash line to create crease
- Apply eyeliner on top and bottom lash line
 - For the lower lashes, apply from the outer corner in, not going farther than the pupil
- Apply mascara on both upper and lower lashes
- Use a brow pencil if needed
- Blush and lipstick.

-This dancer is a great example!

- Examples of eyeshadows
