Notes:

- Interns are required to attend all in-service activities, staff development activities, faculty meetings, and parent conference sessions scheduled by the assigned school or district. If there is a conflict with seminars, contact Dr. Brown at shanebrown@leeuniversity.edu since seminars take precedence over school activities.
- If for some reason you are sick and need to be absent from your school placement, you must contact your cooperating teacher, your university supervisor, and Dr. Brown.
- Observe the calendar of your placement school and not the university calendar. If you have questions, consult your supervisor or e-mail Dr. Brown.
- **Dr. Brown must approve ALL absences from your placement or seminars.**
