

Pine PM Family Friendship Event on 2/14/24

We are wanting to make a Friendship Mix (think trail mix) and would love your help. If each family could be creative in something to bring (please no nuts or anything with egg), we will let your child help add their contribution to the mix! We invite parents to join us to share our yummy snack! (Parents are welcome to arrive at 2:30)

Please sign up for an item so we try not to get too many repeats! (This list is just a starting point and if you have a better idea please add it!)
