Smyrna High School

2026 Summer Learning Academy

How is the Summer Learning Academy organized?

The Summer Learning Academy (SLA) will be offered **online** through Edgenuity. Students have the ability to complete their online course(s) at home. Or, we do offer SHS teacher support from 8:00am-12:00pm, Monday-Thursday, at Smyrna High School. Transportation to/from SHS is not provided. Each lesson in the course will contain a presentation of learning, a practice assessment (which a student can take up to three times), and a lesson assessment. Throughout each course, there is one formal writing assessment, four required discussion board postings and a final exam.

How will I know if I need to take an Online Summer Learning Academy course?

Any students who did not receive a passing grade (D or higher) in a core course (English, Math, Social Studies, Science or World Language) qualify for SLA. Students who qualify for an SLA course will be notified by an automated phone call no later than June 17th. They can also log on to Infinite Campus to view final grades. As in the past, students can only enroll in two SLA courses. If you have questions about which courses to enroll in, contact the School Counseling Office at (302) 653-3133 or the Main Office at (302) 653-8581.

What is the cost for the online courses?

There is no cost to Smyrna High School students to participate in SLA, but you must be registered for the course(s) in order to participate.

How do I register for the course(s) I need?

Students will register online through the registration link below or through the link you receive via email. After you register, the school counselors will enroll you in the course(s) with Edgenuity, and you will receive information via email about the online orientation, as well as your login username and password. **Registration begins on June 15th, 2026. Students should register by June 24th** so that they can attend the **orientation training, at Smyrna High, on June 29th**, where they can pick up a chromebook and charger and can get started on their courses.

What will I need to do in order to receive the credit for the online course(s)?

1. Register on time.
2. Secure log-in information for Edgenuity.
3. Work on the course(s) daily at home.
4. Complete the coursework and final exam by **July 30th.**
5. Chrome books must be returned by August 6th.

Upon successful completion of the SLA course, students will earn credit for the SHS course. The maximum grade that can be recorded on the student's transcript is a B per the SLA policy.
