Welcome to the 2025-2026 Season of Dance Education, Training and Fun! 10th Anniversary Year!

All of us here at ABDA are thrilled to have you join our dance family! We have an exciting school year planned for you!! The following is filled with important information covering the entire school year. If you have any questions or concerns, please contact us anytime by giving us a call at 610-325-2003 or sending an email to angelabatesdanceacademy@gmail.com.

Classes begin **Monday, September 8th** (see the full studio calendar below). Please make sure you have registered for your classes before the first day of your class, so we can properly take roll. Also, make sure you have paid your 1st Quarter Tuition and Registration Fee to avoid a late fee. You may submit a check or bring cash on your first day of classes OR log into your student portal or contact us via email to run your on-file credit card. See below the ABDA Dress Code policy to make sure you are dressed appropriately for your first class, your hair is pulled back accordingly and you have the correct footwear.

Every family has a student portal through the Jack Rabbit software program. You can find this link on our website by clicking "student portal" in the top right corner. It will prompt you to log in using the primary email address that was submitted during registration. If you did not create a password or it is not working, click on "forgot password" and enter your email address. You can then change/create your password and successfully log in. There is a video in jack rabbit that will explain how to use your portal. Once logged in, you can view your dancer's classes (day, times, room, class name, etc.), update any contact info, add an on-file credit card, make a payment, view special announcements, etc. We will post all tuition, costume, and performance fees to your account for you to view. It is a great tool to keep everyone informed!

Parent Portal Link - <https://app.jackrabbitclass.com/jr3.0/ParentPortal/Login?orgId=527977>

In your portal under the "ePayment" drop down box, you can select AUTO quarter, bi-annual, or annual - meaning the studio will AUTOMATICALLY charge your on-file card for tuition - OR you may choose quarterly, bi-annual, or annual to process a payment yourself either by cash, check, or your on-file credit card. If you ever have any problems or questions regarding your student portal, please do not hesitate to contact us. **NOTE - we do not offer refunds for any of our fees for any reason.**

PLEASE WATCH/LISTEN/READ CAREFULLY regarding your special door code needed to enter the building for next week!!!! AND while you are in the portal, everyone must complete/update their **"E-PAYMENT" option!!!**

VIDEO INSTRUCTIONS - <https://youtu.be/U18BDPn9dUs> Each person entering the studio during operating hours will need a special numeric code to enter the studio front door. In order to find your 4-digit code, log into your student portal. When you see your dancers' name, click on "view details" of their class. You will see a 4 digit code under "category 1". This is your special code to use for the 2025-2026 season. THEN click on the billing and payments tab on the very top of the page. Under "quicklinks", click on "e-payment schedule". Then select how you would like to have tuition payments processed for the year. Then click "save".

Please keep your 4 digit entrance code handy. Make sure your dancer knows their code, as well as any guardians that would need to enter the studio for drop off or pick up. In order for it to work properly and effectively, DO NOT share this code with anyone who does not need it to enter the studio. ALSO be cautious and aware to not hold the door open for those you do not know. The door will unlock as you EXIT and/or you can use the green button to unlock that is located inside the door.

Here is a short video showing how the system works and includes more details (created last season).

We will also send emails periodically with important information and reminders. It would be best to keep all communications for the school year as you receive them from our office, whether saved in your email or printed and placed in a folder. You will be receiving information about your participation in our annual December Holiday Show and our June End of the Year Recital Performance. Note: If you opt out of emails, you will not receive this info. We welcome your comments and suggestions regarding any of our policies or procedures at any time.

Waiting rooms are made available for the convenience of our students and their families. HOWEVER, since the pandemic, we highly recommend dropping off your dancers and picking them up after class to keep the amount of people in the studio at one time to a minimum. PLUS it's a great time to run errands :) The waiting rooms are for waiting, reading, TV watching, snacking, conversation, video viewing, homework, and children playing with toys or games. We ask that you please RESPECT the activities of others and the classes in session. If you use our books and magazines, we would appreciate it if you would return them to the shelves. If younger siblings play with our toys, PLEASE PLEASE PLEASE make sure you return all toys to where you found them. Do NOT leave all the toys out for someone else to clean up. If you do make a mess, PLEASE clean up after yourself. Crumbs and food left out will cause unwanted insects and animals in our building. In addition, parents and guardians are expected to supervise any younger siblings at ALL times. PLEASE make sure siblings are NOT writing or drawing on our paperwork, flyers, notepads, or walls. Your cooperation is greatly appreciated.

We request that you arrive at the studio with adequate time to prepare for class, parking, changing, restroom, etc. Parents, for your children's safety, please be available in the waiting room and/or parking lot to receive students when dismissed from class. If you happen to be delayed for class start time or pickup, no worries. Run into class once you arrive, and we will keep dancers safely inside until you arrive for pickup. Make sure to park in an actual parking spot out front of the studio to avoid any confusion or safety concerns. Drive slowly and carefully while in our parking lot and be on the lookout for tiny dancers popping out behind cars. Dancers should use the restroom BEFORE class begins, especially younger ones. It is advised that students bring a water bottle to class to stay hydrated. Please make sure all shoes, water bottles, dance bags, etc. are labeled with your dancer's name.

The studio welcomes everyone to bring in drinks and snacks. However, PLEASE only water or dry non-peanut snacks AND they must be eaten in our snack room. Please try to avoid crumbs, since they tend to attract bugs. Coffee, soda, juice, tomato soup, etc. stain our carpets. Please eat and drink these at home prior to class. There is a microwave, refrigerator, and water cooler in the waiting area. Feel free to use these at any time. Again, if you do make a mess, please clean up after yourself. Your cooperation is greatly appreciated.

Please talk to your dancers about making tik tok videos and taking videos/photos at the studio especially in the lobby!!! People are being videoed and posted on social media without consent.

There is free WIFI in the studio! The network username is ABDA and the password is "BePositive!".

A clean studio is a happy studio! If you ever see something that needs attention, please let us know. For example: if the bathroom is out of toilet paper or paper towels, the water cooler is out of water or cups, a mess that needs to be vacuumed, etc. You can leave us a note in the drop box in the waiting area, or let a teacher know at the end of class.

The entire ABDA faculty and staff are very concerned about the safety and wellbeing of every dancer. We do have first aid kits in each studio along with a plentiful supply of Band-Aids. We do have a few ice packs as well in our freezer in the waiting room. PLEASE return all ice packs after each use!!!

The ABDA Drop Box is located outside the office door alongside blank envelopes, pens and blank note paper. Since there may not be anyone in the office, you can safely submit any payments, forms, notes or messages in this drop box. Someone will contact you the following day.

We welcome your comments and suggestions. If any parent/student wishes a private conference concerning your individual dance goals or financial concerns, please do not hesitate to ask. We are happy to work with you to ensure that your school year will be one of pleasure and growth. The entire faculty and staff wish you a fantastic year of dance!

Sincerely,

Bring a Friend Week

All dancers may bring a friend to their classes the week of October 6th - October 11th. Their friend does NOT need to have experience. They also do NOT need to have ballet shoes or attire. They should wear clothing they can move in and wear socks and sneakers. All guests must submit a completed waiver form before the start of class.

Parent Visiting Weeks and Costume Week

We conduct two parent visiting weeks. One is in November (17th-22rd) where we show what we have been working on as well as reviewing all Holiday Show details. The second one is in April (April 20th-25th), where we show how much we have grown as well as review all June recital info AND take home recital costumes. Make sure to add the dates to your calendar!

Holiday Spectacular

This is an exciting show to take place TENTATIVELY on Sunday, December 14th (but could be any day the first two weeks of December) to celebrate the Holiday Season. All dancers are invited to perform. Dancers will learn a holiday routine in their normal class throughout November and possibly the end of October. The studio will provide most of the costumes and accessories. SOME classes will actually purchase their June recital costume early and use those. You will need to supply the correct shoes, tights, hair accessories and undergarments. You may also be asked to supply basic dancewear such as shorts or leggings. The performance fee to cover the cost of the theatre rental, teachers, costumes etc. is \$30 for those dancers participating in pre-dance, B/T 1, B/T 2. \$50 for dancers participating in 1 class per week (not those listed previously), \$75 for those dancers who only participate in 2-3 classes per week, \$100 for those dancers who only participate in 4-5 classes per week, and \$125 for those who participate in 6+ or more classes per week. More info and a permission form will be sent soon!

End of the Year Recital

This is a great way to showcase your dancer's talent they learned throughout the year to your family and friends. A recital routine will be taught in each class starting in January/February. This gives the class plenty of time to rehearse and make their routine look spectacular for the June recital. Times and details will be announced in the beginning of December. There is a performance fee of \$50 per student. Each dancer is also responsible for purchasing a recital costume. Most costumes range from \$75-\$135 per costume. Dancers will be measured in November and December and costumes will be ordered by January 1st. Costume payments are due by January 31st. Costumes will be handed out during parent visiting week at the end of April. More info regarding the recital will be sent in December.

Company Info

The ABDA Dance Company is designed to provide dancers with opportunities beyond the four walls of the studio. In other words, to inspire, motivate, challenge and enrich young lives. The Company is for dancers who want to enhance their dance training through performances, competitions and conventions. However, competition is not about winning. It is about striving to be the best YOU can be by setting reasonable goals and improving yourself as an individual. Dancers will be placed in groups where we, the studio, decide is the best fit. We place "like" dancers together according to certain criteria (such as technique, strength, performance skills, professionalism, attitude, work ethic, teamwork, etc.) that the studio feels will allow the students to dance to the best of their ability. Each Group will perform in 2-4 competitions, participate in at least one convention, perform at multiple benefits, and perform in our Holiday Show and end of the year Recital. There are many other optional competitions and conventions dancers may attend on their own. There may also be other performances to add throughout the year. These events do require a separate cost from tuition and performance fees. Class Requirements - Minimum Class Requirements for Elite company include weekday Ballet, Jazz, Lyrical, Stretch & Tech, Contemporary and all weekend Company Classes/Rehearsals. Optional Classes include weekday Contemporary, Street Jazz, Tap, Pointe and Acro. Apprentice company levels have less requirements and performance opportunities.

Tuition Notes & Additional Fees

Quarterly payments are 4X per year. ABDA is a full year program and we expect our students to be present for all classes and performance. Therefore, we do not give credits for missed classes. However, we will offer makeup classes for any classes missed due to sickness, inclement weather etc. Classes dropped without a written notification will be held responsible for any current balances. Tuition is non-refundable as well as all other fees. If you decide to drop or discontinue for any reason, there will not be any refunds offered. For uncontrollable circumstances, we may be able to offer a credit to your account to use for future classes/camps. If you are paying the annual tuition, make sure your dancer is committed to the entire year. If you are not sure if your dancer can do this, do NOT pay annually. We accept cash, checks, and all major credit cards. Checks should be made payable to "Angela Bates Dance Academy". Return checks will incur a \$25 bank fee. A \$25 late fee will apply to all outstanding tuition over 2 weeks late and every two weeks until paid in full. Other fees include our one time annual Registration Fee (\$30 per dancer or \$40 per family), December Holiday Show Performance Fee (between \$30-125 per dancer), June Recital Costumes (\$75-\$130 per costume), and our June Recital Performance Fee (\$50 per dancer).

Student Portal and Communication

Every family has a student portal through the Jack Rabbit software program. You can find this link on our website by clicking on "student portal". It will prompt you to log in using the primary email address that was submitted during registration. If you did not create a password or it is not working, click on "forgot password" and enter your email address. You can then change your password and successfully log in. We will also send emails periodically with important information and reminders. It would be best to keep all communications for the school year as you receive them from our office, whether saved in your email or printed and placed in a folder. You will be receiving information about your participation in our annual December Holiday show and our June end of the year recital. We welcome your comments and suggestions regarding any of our policies or procedures at any time.

Attendance Policy

ABDA is set up as a full year program and in order to get the best dance education possible, we expect our students to be present for all classes and performances. However, you may participate and only pay for one quarter if you prefer to do only a session (8-9 weeks). We do not give credits for missed classes. However, we will offer makeup classes for any classes missed due to sickness, inclement weather, etc. Classes dropped without a written notification will be held responsible for any current balances. We request that you arrive at the studio with adequate time to prepare for class, parking, changing, restroom, etc. Parents, for your children's safety, please be available in the waiting room to receive students when dismissed from class. Please call whenever delayed for class start time or pickup. Make sure to park in an actual parking spot out front of the studio to avoid any confusion or safety concerns. Drive slowly and carefully while in our parking lot and be on the lookout for tiny dancers popping out behind cars. Dancers should use the restroom BEFORE class begins, especially younger ones. It is advised that students bring a water bottle to class to stay hydrated. Please make sure all shoes, water bottles, dance bags, etc. are labeled with your dancer's name.

Inclement Weather

If there is inclement weather such as snow and/or ice and dangerous travel conditions arise, we will be forced to close. We will post closures on social media along with an email that will be sent by 3:30pm. Students will be asked to attend a makeup class for the class they missed due to inclement weather.

Personal Belongings

Most dancers will bring their shoes and other dance accessories in a bag (dance bag). Dancers may bring their needed shoes and water bottles into the studio for class. However, all other belongings, including food, must be placed in a cubby outside the studios. It is recommended that dancers do not bring valuable items such as phones, iPads, and wallets to the studio. If they do bring these items, they are responsible for them and should keep them secure and out of view in their bags in the lobby and/or dressing room. All phones and electronic devices must be silenced AND may NOT be used during class. It is also recommended that dancers bring a water bottle to class labeled with their name.

Waiting Areas and Dressing Room

Please note that the waiting rooms are made available for the convenience of our students and their families. The waiting rooms are for waiting, reading, TV watching, snacking, conversation, video viewing, homework, and children playing with toys or games. We ask that you please respect the activities of others and the classes in session. If you use our books and magazines, we would appreciate it if you would return them to the shelves. If younger siblings play with our toys, please make sure you return all toys to where you found them. Do NOT leave all the toys out for someone else to clean up. If you do make a mess, please clean up after yourself. In addition, parents and guardians are expected to supervise any younger siblings at all times. Your cooperation is greatly appreciated. Parents/guardians may drop off dancers and leave to run errands and what not OR they may stay in our waiting area while dancers are enjoying life in our studios. Dressing rooms are for dancers to change if need be. Please make sure no men or boys are in the dressing room while girls are getting changed. Men and boys may use the restroom to change. Please use respect while in the waiting area and dressing rooms.

Food and Drinks

The studio welcomes everyone to bring in drinks and snacks. However, please only bring water or dry non-peanut snacks. Please try to avoid crumbs, since they tend to attract bugs. Coffee, soda, juice, tomato soup, etc. stain our carpets. Please eat and drink these at home prior to class. There is a microwave, refrigerator, and water cooler in the waiting area. Feel free to use these at any time. Again, if you do make a mess, please clean up after yourself. Your cooperation is greatly appreciated.

Safety and Cleanliness

The entire ABDA faculty and staff are very concerned about the safety and wellbeing of every dancer. We do have first aid kits in each studio along with a plentiful supply of Band-Aids. We also have a few ice packs in our freezer in the waiting room. A clean studio is a happy studio! If you ever see something that needs attention, please let us know. For example: if the bathroom is out of toilet paper or paper towels, the water cooler is out of water or cups, a mess that needs to be vacuumed, etc., you can leave us a note in the drop box in the waiting area, or let a teacher know at the end of class.

Each person entering the studio during operating hours will need a special numeric code to enter the studio front door. In order to find your 4-digit code, log into your student portal. When you see your dancers' name, click on "view details" of their class. You will see a 4 digit code under "category 1". This is your special code to use for the 2025-2026 season. Please keep your 4 digit entrance code handy. Make sure your dancer knows their code, as well as any guardians that would need to enter the studio for drop off or pick up. In order for it to work properly and effectively, DO NOT share this code with anyone who does not need it to enter the studio. ALSO be cautious and aware to not hold the door open for those you do not know. The door will unlock as you EXIT and/or you can use the green button to unlock that is located inside the door.

Kindness and Respect

We are constantly teaching dancers and their families how to be kind and respectful to other dancers, parents, teachers and of course themselves. We take this very seriously! If a dancer and/or parent is displaying constant disrespect or is not being kind, they will receive three warnings. After that, they will be dismissed from our program and unable to return. Examples of this include: Making fun of someone, pushing or physically hurting someone, talking back to a teacher or adult, eye rolls and not doing what is asked of in class, cursing or using inappropriate language, etc. Let's bring back good old fashioned manners and proper behavior!! Our Company dancers specifically sign a "Ultimate Human Contract". Check it out!

General Information for all our classes at ABDA -

- Every class at ABDA is designed to build confidence and self-esteem. We want every dancer to feel happy and succeed not only in dance but in anything they do in life. "Dance Lessons Are Life Lessons"!
- Our classes are conducted in a positive, encouraging and nurturing way along with the discipline and focus that the art of dance encompasses.
- ABDA is a family of dancers. We are very family oriented. We encourage everyone to be themselves and in return accept others for who they are.
- Our recreational classes give dancers the best quality dance training in a less strict environment. These classes are social and fun.
- Our accelerated classes and dance company give dancers more serious training with more regulations and discipline, but still done in a super positive environment.
- The company is designed to give dancers more performance opportunities besides our Holiday Show and end of the year Recital. Other performance opportunities include dance competitions, dance conventions, local and national dance festivals, nursing home performances, parades, etc.
