

Lec 1: Intro to JavaScript

- [download pdf](#)

Lec 2: Variables

- [download pdf](#)

Lec 3: Data Types

- [download pdf](#)

Lec 4: Objects

- [download pdf](#)

Lec 5: Arrays

- [download pdf](#)

Lec 6: Array Methods

- [download pdf](#)

Lec 7: Array Methods (p-II)

- [download pdf](#)

Lec 8: Array Methods (p-III)

- [download pdf](#)

Lec 9: Operators

- [download pdf](#)

Lec 10: Operators (p-II)

- [download pdf](#)

Lec 11: If conditions

- [download pdf](#)

Lec 12: Switch Case

- [download pdf](#)

Lec 13: Loops

- [download pdf](#)

Lec 14: Loops II

- [download pdf](#)

Lec 15 Loops III

- [download pdf](#)

Lec 16: Functions

- [download pdf](#)

Lec 17: Functions II

- [download pdf](#)

Lec 18: Date Object

- [download pdf](#)

Lec 19: Date Methods

- [download pdf](#)

Lec 20: String Methods part-1 (length, extract, charat)

- [download pdf](#)

Lec 21: String Methods part-2 (slice, substring, concat)

- [download pdf](#)

Lec 22: String Methods part-3(Trim, padStart, padEnd)

- [download pdf](#)

Lec 23: String Methods part-4

- [download pdf](#)

Lec 24: String Methods part-5 (Trim, padStart, padEnd)

- [download pdf](#)

Lec 25: String Methods part-6(include, startsWith, endsWith)

- [download pdf](#)

Lec 26: Popup Boxes (Alert, Prompt, Confirm)

- [download pdf](#)

Lec 27: Debugging Techniques in JavaScript

- [download pdf](#)

Lec 28: Asynchronous Programming

- [download pdf](#)

Lec 29: Document Object Model (DOM)

- [download pdf](#)

Lec 30: DOM Manipulation and Events Handling

- [download pdf](#)

Lec 31: Local Storage Introduction

- [Download pdf](#)

Lec 32: How to store data in Local Storage

- [Download pdf](#)

Lec 33: JSON.stringify and JSON.Parse

- [Download pdf](#)
