

Heights Hallway Happenings

Jan. 24, 2025

Principally Speaking.....

Heights Families,

I hope you are all doing well, and that you stayed warm this week. As you know because of the cold temperatures we had indoor recess this week. I am very hopeful that we will be able to venture outside next week. Please do not forget that next Wednesday 1/29 is an early Release Day at 12:35. There is no After Care on Wednesday.

We have gotten quite a few shoes for the [SHS Shoe Drive](#). The drop off boxes are in the foyer and inside the building until next Friday, please help us gather as many shoes as possible.

Every day we have 5th grade students report the Heights Hedgehog News to the school, we have up and coming News Anchors. Below you will see next week's motivational quote:

Work hard, be kind, and amazing things will happen

Laughter is the best medicine: How do clouds pay their bills? With Rain Checks

Curriculum News:

MCAS is coming in the spring. The [MCAS Schedule](#) is listed here, so that families can work together with us to make sure students are in school during the testing periods. **Please make sure you go to the Heights tab at the bottom.**

News from The Cafeteria:

Our cafeteria is selling snacks for \$1.00. You can make deposits at the register and on [MySchoolBucks](#). You can email our Cafeteria Dept mvancott@sharonschools.net if you have any questions or you want your child to refrain from buying snacks.

Below is some additional information:

- Students without money cannot purchase snacks. We cannot allow negative balances, and we do not allow staff or peers to purchase snacks for those without money.
- If parents want their students to refrain from buying snacks, they can email us to place restrictions on the account. For example, "no snacks at all" **OR** "snacks can be purchased on Friday only."
- These snacks/ice cream offerings are NOT the same as those in the grocery store. They are specifically made for K-12 schools and follow strict ingredient guidelines.
- These snacks and ice cream are on the [A-List](#) and approved for schools. It is available for anyone to view.
- If you have any questions please reach out to Sharon Cafeteria Dept mvancott@sharonschools.net
