

Hello Parents/guardian!

Please check to see if your contact information on Parent Portal is up to date and is correct. Parent Portal is the online system you can use to view student progress in current classes. Information such as grades, attendance records, and class schedules can all be found at the following URL: <https://parents.wvusd.k12.ca.us/abi/>.

You will need a login and password to enter the site, which you should have received at registration. Should you need that information, please contact the office.

I will keep my grades updated in Parent Portal on a regular basis, so please utilize this tool often. These are some tools to help you:

An empty grade on a series means missing assignment = not received

A missing test grade means they still need to take the test.

A **0** means the student earned a 0 on the assignment or test.
