

Privacy Statement

Last Revised: June 15, 2026

This Privacy Statement is provided by **MusdevPiu**. It explains how we may collect, use, store, disclose, and protect information when users access our mobile applications, games, digital products, or related services.

By accessing or using our services, you agree to the practices described in this Privacy Statement.

1. Scope of This Statement

This Privacy Statement applies to the digital services operated or provided by **MusdevPiu**, including mobile apps, games, software features, and related online services.

We are committed to respecting user privacy and using information only for purposes that support service operation, improvement, security, advertising, analytics, and compliance with applicable requirements.

2. Information We May Receive

Depending on how our services are used, we may receive or process the following categories of information.

Device and System Information

We may collect technical details related to the device used to access our services, such as:

- Device model
- Operating system version
- App version
- Language and region settings
- Device identifiers
- Advertising identifiers
- Network status
- Diagnostic data

- Crash and error logs

Usage and Performance Information

We may collect information about how users interact with our services, including:

- App launches and session activity
- Feature usage
- Gameplay activity where applicable
- Level or progress information
- In-app interactions
- Settings or preferences
- Error reports
- Performance statistics

Advertising and Analytics Information

If our services include advertising, analytics, or crash-reporting tools, third-party providers may collect certain data to support advertising delivery, performance measurement, analytics reporting, fraud prevention, and technical diagnostics.

Such services may include:

- Google Play Services
- Google AdMob
- Firebase Analytics
- Firebase Crashlytics

These third-party providers process information according to their own privacy policies and terms of service.

3. Why Information Is Used

MusdevPiu may use collected or processed information for purposes such as:

- Providing and maintaining our services
- Improving app or game functionality
- Enhancing user experience
- Monitoring stability and performance
- Identifying and fixing technical issues
- Supporting analytics and usage measurement
- Displaying advertisements where applicable
- Measuring advertising effectiveness

- Preventing fraud, abuse, misuse, or unauthorized activity
 - Complying with legal obligations and platform policies
-

4. Third-Party Services

Our services may use third-party SDKs, platforms, APIs, or tools. These may help us provide advertising, analytics, crash reporting, app distribution, technical support, security monitoring, or other service-related functions.

MusdevPiu is not responsible for the privacy practices of third-party providers. Users are encouraged to review the privacy policies of any third-party services used in connection with our applications or games.

5. Advertising and User Controls

Some of our services may display ads. Advertising partners may use device information, advertising IDs, usage data, or similar technical data to provide personalized or non-personalized advertisements.

Users may manage ad personalization, limit tracking, or reset advertising identifiers through device settings, Google settings, or other privacy controls available on their device.

6. Sharing and Disclosure

MusdevPiu does not sell users' personal information.

Information may be shared or disclosed only when reasonably necessary, including:

- With service providers that help operate, analyze, secure, or improve our services
 - With advertising or analytics partners when such services are integrated
 - When required by law, regulation, legal process, or government request
 - To protect the rights, safety, or property of users, the public, or MusdevPiu
 - To investigate, prevent, or respond to fraud, security risks, abuse, or technical problems
-

7. Security Practices

We use reasonable technical, administrative, and organizational measures designed to protect information from unauthorized access, misuse, loss, alteration, disclosure, or destruction.

However, no method of transmission over the internet or electronic storage is completely secure. Therefore, we cannot guarantee absolute security.

8. Retention Period

We keep information only for as long as reasonably necessary to provide our services, maintain security, improve functionality, comply with legal obligations, resolve disputes, or enforce applicable terms.

Third-party service providers may retain information according to their own retention policies.

9. Privacy of Children

Our services are not directed to children under the age of 13.

We do not knowingly collect personal information from children under 13. If a parent or guardian believes that a child has provided personal information, they may contact us. We will take reasonable steps to review and delete such information where required.

10. User Rights and Requests

Depending on applicable laws in your country or region, you may have certain rights regarding your information, including the right to:

- Request access to your information
- Request correction of inaccurate information
- Request deletion of personal information
- Object to certain processing activities
- Restrict certain processing activities
- Withdraw consent where applicable

To submit a privacy-related request, please contact us using the email address below.

11. International Processing

Our services may rely on global technology platforms and third-party providers. As a result, information may be processed, transferred, or stored in countries or regions outside your country of residence.

Such processing may occur for service operation, analytics, advertising, diagnostics, security, support, or legal compliance purposes.

12. Updates to This Statement

MusdevPiu may update this Privacy Statement from time to time. Any revised version will be posted with an updated revision date.

Users are encouraged to review this Privacy Statement periodically to understand how information is handled.
