## Measurements:

- Early Espresso: 5-1/2" x 8-1/2" scored at 4-1/4" then burnished with the Bone Folder and folded, small scrap for coffee mug
- Calypso Coral: 3-3/4" x 5", 2-3/4" x 2-3/4"
- Pecan Pie: 3-1/2" x 4-3/4", 1-1/2" x 4"
- Basic White: 3" x 1"
- Smoky Slate: scrap for spoon
- DSP (2 patterns as shown): 3-1/4" x 4-1/4" and 2-1/2" x 2-1/2"
- Natural Trim: 2"

## Instructions:

1. Use glue to adhere the Calypso Coral, Pecan Pie, and DSP layers to one another.
2. Stamp coffee mug with Early Espresso on DSP. Die cut mug and the liquid area using two dies. Trim Early Espresso cardstock to fit the hole at the top of the mug and adhere to back of mug with glue.
3. Stamp spoon in Smoky Slate ink on same cardstock and die cut.

4. Die cut 2-1/2" circle of Calypso Coral from Stylish Shapes Dies. Trim a small edge of the circle with your Paper Trimmer then adhere to card front with glue so right cut off edge lines up with Calypso Coral layer on card front.
5. Stamp sentiment with Early Espresso ink on Basic White then die cut banner so sentiment is off center to left (leaving room for the spoon)
6. Glue sentiment across mug and add spoon so it is not going to go beyond the right side of the card.
7. Adhere strip of trim to Calypso Coral circle with Mini Glue Dots.
8. With Stampin' Dimensionals, add mug to Calypso Coral area so it goes a little bit over the trim you just added and so the sentiment is just above it.
9. With Stampin' Dimensionals, add card front to card base then add sentiment piece.
10. Sprinkle front with three Adhesive-Backed Swirl Dots using your Take Your Pick Tool.
