

Baccus 6mm Miniatures for Sale

Miniatures are unpainted white metal, unless otherwise noted.

Multiples before each code are the number of strips of 6mm miniatures; infantry come four to a 20mm wide strip, cavalry come three to a strip.

Prices are well below half retail price; generally \$0.50 for cavalry and \$0.30 for infantry strips. Anything with paint on it is priced even less.

Bases are not included.

Buyer pays all shipping costs, which is determined by weight. Shipping is from Japan, and will use International ePacket Light. Estimated shipping cost is listed with each army. Combining armies will reduce shipping.
