

Elementary Band: NO Instruments

Week 2 Online Learning Plan

Week of: March 23, 2020

<p><i>A Note from Mrs. Lorange:</i></p> <p>Hi everyone! I've never had to do anything like this so this will be a learning curve for all of us. These assignments are only for students who were unable to take their instrument/music home while school is cancelled. Have fun with these assignments and DON'T STRESS! Don't worry if you don't get through every part of the assignment on each day. Aim to do about 3 days per week. You can always come back to a previous day's assignment on a different day of the week.</p> <p>Some of the work below contains worksheets on Google Forms that are posted in Google Classroom. These assignments will be your submissions to me for the week. Other items are to be used as review and reinforcement of things we already know and do in class (rhythm counting, note reading, etc).</p>
