

2025 Scholarship Application

Summer Programs offer a limited number of one-week scholarships. Scholarships are awarded based on need and on a first-come, first-served basis. Submission of a scholarship packet does not guarantee a scholarship.

- Individual Scholarship: Parents/guardians pay half of the registration fee for a one-week camp.
- Once a scholarship application has been received, families will be notified within two weeks as to the status of the application.
- Once a scholarship is awarded, families will have two weeks to submit the full payment.

To submit a scholarship packet:

- Complete and submit the scholarship application along with requested documentation. Incomplete packets will not be considered.
- Required documents include:
 - ☐ A statement from the child explaining why they would like to participate in MFYC summer camp. This must be handwritten by the child, not to be completed by the parent/guardian. For 1st-2nd graders, a drawn picture can be submitted instead.
 - ☐ A statement from the parent/guardian describing why a scholarship would be helpful.
- The completed scholarship applications must be accompanied by all required documents and may be emailed, mailed or submitted in person.

Fax: 804.827.1739
