Notes on Course Registration

- All 9th graders take CTRW1, SS9, Biology and Freshman Seminar (sem 1)
- Math & World Language placement is based on recommendation of 8th grade teacher
- Elective course requests are not guaranteed to be fulfilled. Students will be asked to list alternate choices.
- There are multiple opportunities to change your mind about course selection (indicated by ★)

Notes on High School credits

- In HS, students earn credit if they pass the class (0.5 credit per class/semester)
- Credit requirements and distribution are outlined in curriculum guide (published on January 14, 2020) and student handbook
- HS Counselors will monitor requests/credits for progress towards graduation and IB/AP options
