FAW Grade 8 Remote Learning During School Closure 2020

Thank you for your support in helping to provide an environment for learning during our unexpected school closure due to COVID-19.

During our time away from school, please encourage your child to complete the activities below.

Math Homework Recording Sheet with Lines

(During the time of our extended school closure, we are allowing students to keep up with their AR goals by taking AR quizzes at home. Please understand that we trust students will be honest when taking these quizzes during school hours at home. We will resume our regular expectations of at school only quizzes when we return to school.)
