Treasurer's Reports

- General Account:
 - Jan 2022 balance: \$811.96 (from previous council meeting)
 - Mar 27, 2022 balance: \$236.79
 - Difference of \$575.17 (\$429.40 for Cine Film, which was originally taken out of the CAP account, but the finance department at the board made us take it out of this account instead... see the journal entries in the GL Details by Department account; it turned out that the extra + \$145.77 for Cine film streaming was never taken out of the CAP account after all).
- Playground budget (CAP account):
 - Jan 2022 balance: \$6,699.72 (from previous council meeting)
 - Mar 27, 2022 balance \$6484.73
 - Difference of \$214.99 (6,699.72 + \$429.40 Cine Film payment returned to CAP account = \$7129.12 at opening balance for Jan 12, 2022 on report. Then subtract \$83.39 for chain to secure the picnic tables and \$561 for cheque issued for more pavement painting. This equals \$6484.73 which is the new balance.
- Current balance of both accounts is \$6721.52

Next Meeting Date: Monday, May 16, 2022
