

Okay so here is the reason why Kelly and samsam/Samantha is not allowed: While me and my classmates or online class Kelly called Amanda - my Bff into the chat. You know what Kelly did to Amanda? KELLY SAID "YOU LOOK SO MAD HAHAHA"... This message contains Bullying. Vheil, Naomi, and I defended Amanda and Amanda Spammed 😭 crying emojis because of Kelly. Then Kelly said it was a "joke".. Bullying someone ISN'T a JOKE... After that I dumped the group because kelly bullied amanda. then I decided to create A group called "My besties/friends:3", it is basically a group when someone became friends with me, I add them here.
