A Message from the President

Greetings All!

We are fast approaching the last tournament of the year! (It's this weekend). I'm excited and a little bummed at the same time. Excited because I love seeing you all and being in or around the competition. A little bummed because the October tournament always marks the end of our tournament season. It seems to be the time of year when we start thinking about what we will be doing if we are not skiing. Snow skiing, dirt bikes (if it ever rains) etc. etc. Hopefully the weather will be nice for a bit longer so we can stay on the water as long as possible!

October is also banquet time! Just a couple of reminders to think about before Saturday night. Please consider running for an office. It's not that hard and the Club definitely needs your support. Prior officers will walk you through all the steps required to fulfill your duties and support you through the entire process. We will also be holding a Club Meeting. Please come prepared to bring up and discuss any ideas or suggestions you may have. Lastly, we will then vote for the new officers.

Santa Maria Style BBQ! Mmmmmmm I'm getting excited just thinking about it! I'll see you all Saturday am @ 0800 on the dock.

From the Tournament Director

Sorry for the late wrap up from the September tournament, life's been a bit busy around the Woods household. I'll make this one short and to the point. We had our largest turnout of the year in September with 32 skiers. We divided into 5 teams this time, with skiers being seeded and placed on teams based on their past scores. Team Red prevailed with a 60 point lead over Team Blue. The lake side camping, lots of skiing, a fantastic BBQ dinner and good times with our favorite ski friends made for a great tournament. Thank you to our hosts, Susan & Jim Kilsdonk for the use of the lake and the boat.

Details for September's scores are attached along with the updated results for the whole season. Please review your scores and let me know if there are any questions.

Next tournament will be this weekend at Nacimiento, 8-9 October. We'll have 2 rounds on Saturday followed by the banquet and awards Saturday night. For those skiing the regular 2-round tournament

on Saturday, please pay the usual tournament entry fee through the website. And please let me know, by text, email, smoke signal or carrier pigeon if you'll be skiing in the tournament on Saturday. Class 6 will be off the dock first. Please be on the dock no later than 8 am, you might want to bring something warm to wear.

On Sunday, we're having a fun tournament, no skis required, bring your paddle board, all are welcome to join the fun tournament. You do not need to sign up in advance for Sunday's fun tournament and there is no fee.

From The Secretary

Hey All!

As you all know the end of the season banquet is just around the corner and will be Saturday night of the last tournament (October 8th) at the Senior Center at Heritage Ranch. This year the banquet will be offered for free to paid members. I will send out one more update on paid members on Thursday and will have that list at the banquet. The banquet will cost \$45 for non-paid members. Please RSVP via the Evite. This is the best way for us to know our numbers are correct.

We will start decorating at about 3:00 p.m. If you are off the lake and have some time to spare please stop by the Senior Center to see if we need any help. Any help cleaning up at the end of the night will be greatly appreciated. .

Thanks,
Lani
