ABSTRACT

This document presents the instructions needed to prepare the extended abstract to be included in the book of abstract of the AWIST 2023. All abstracts should be written in English. In order to achieve graphical consistency, the extended abstract should be preferably written using Microsoft Word. It should start with the paper's title, authors, authors' affiliation, address and e-mail, followed by the Abstract's text and the keywords (up to five). Please, indicate the author making the presentation with an asterisk.

The abstract should be written in MS Word format in single-spaced in 12 point Times New Roman. Do not indent the text paragraphs. Please, briefly explain the aim and scope of your study, your materials and methods, and the main conclusions of the study. Max 2 figures/photographs can be placed in the abstract. Authors are requested to submit Abstracts (max 3 pages in the length) in electronic form (MS-Word) via email to [the website conference portal](#). The incorrect formats may result in your abstract being returned to you by e-mail. The scientific committee will select the contributions for oral or poster presentations.

A digital version of the AWIST 2023 book of abstract [1] will be published in the conference website and the full text papers that will be accepted. You will have to submit your extended abstract via the AWIST 2023 Website You will have to choose between an online and Offline Presentation [2]. If the AWIST 2023 committee accepts your extended abstract, you will have the possibilities to submit a paper for the ICSPIS2023 proceedings.
