

Seller TOS [Terms of Use]

Contact me: [Kubileya](#)

- By commissioning me, you have agreed to all of my T.O.S. agreement stated in this document. For your best interest, please read before commissioning.
- The commission will be a digital painting/drawing with a design mutually agreed by the client and the artist and based on the possibilities presented in the [Commission Sheet](#).

PAYMENT

- Payment will be made via paypal. I'll send you an invoice. Don't send any money until you've received an invoice from me.
- The commission might be paid either 50/50 in which I'll receive 50% after we close our first agreement and 50% before I send you the high quality image or 100% before I start the commission.
- After it is done the client will receive a link with the high quality image.
- The price is in US dollars (USD)
- For any tips/ donations, you can go to my [ko-fi](#) page.
- Full refunds are only available up until the sketch phase and special situations. After I have started on the commission

REPRODUCTION RIGHTS

- All commissions are meant for Personal use only.
- You will have to credit me if you use my art as a profile picture. You can repost the art you've commissioned but you also will have to credit me.
- Editing my artwork is absolutely prohibited
- I may use the commission as I see fit and upload to social media as part of my portfolio unless previously agreed with the client. Please let me know if you have reservations.
- Is not allowed to claim the artwork as their own and either reproduce/ sell them as NFT or merchandise. Furthermore, the use of my art for artificial intelligence training is prohibited.

OBSERVATIONS

- A detailed description and/or reference images of OCs are welcome.
- Additional fees may incur due to complexity of the character and is up to my discretion. I will inform you before the start of the commission.
- You're allowed to change your request as long as I'm not started with Lineart.
- Every added character is an added fee of + %30 of the original price.

- Every commission includes a basic background that could be a solid color or a simple pattern.
- Simple backgrounds with more details will add + 10 USD to the final value.

PROCESS

- After you've sent your request via [commission form](#) or by talking to me directly through any of my social media profiles, I will contact you to let you know if I'll be able to take your commission.
- If yes, we can talk about and confirm the details of what you want me to do.
- I will ask for payment through an invoice.
- Once the payment is done, I will send you a sketch within a week or two maximum, so we can see together if your commission needs any changes.
- You can request up to 3 revisions during the sketch phase, this does not include drastic changes such as changing the requested character or the whole concept we previously agreed upon.
- If your commission is colored the sketch will include the possible colors.
- After you check the sketch and we agree that I can finish it, I will not accept sudden changes unless it's a very minor change or a mistake from me. Any bigger change will be charged.
- After the commission is done I'll inform you and send the google drive link with the finalized art.

PROGRESS

- I will update you every time I finish a significant step on your commission (finish lineart, finish flat colors, etc).
- The progress report will always be sent to your email however I can also send it to your preferred social media such as discord.
- You can choose how you want to get the progress of your commission in the commission form.
- I should be done with your commission within a month (depending on the complexity, two to three weeks), the maximum is 2 months. I'll update you if there are any conditions that could make me deliver your commission later than that.
