

Fursuit-Style References

Pricing Guide

*All reference prices are based on a two-sided format, i.e. front and side/back view
Pricing is negotiable to a certain extent based on debatable complexity of character designs or what I am
looking to add to my personal portfolio.*

Base pricing - \$40

- Generic species that does not include reptilian or avian
- No large wings, extra appendages, or overly intricate patterns or designs

Reptilian/Avian pricing - \$50

- Large winged designs and dragons included

Hybrid/Chimera/Complex pricing - \$60

- This may include character designs that have multiple and/or large wings, tails, or appendages; excessive fur or hair; or intricate patterns or designs
