

*Did you love Reacting? Have you wanted to take it but not had the chance? Join the LAH Reacting Club. Meetings will occur at 4 pm every other Wednesday. We will meet in CLA 2.606, the Normandy Scholars Room. We will play mini Reacting games and the setting will be pretty informal compared to Reacting classes (no papers, no grading, less structured). We'll be holding the first meeting on February 17th so sign up below and come join us and have fun!*
